Harrisburg, Pa., *May 10, 1920.*

General Orders, }  
No. 6. }

I. The following information relative to the Annual Allowance of State moneys to various headquarters and organizations of the Pennsylvania Reserve Militia, as per Act of Assembly approved June 22, 1917, and the method of accounting for same, is herewith published for the guidance of all concerned.

## WHEN ACCOUNTING IS TO BE MADE.

The reports will be forwarded to The Adjutant-General by accounting officers *between June 1st and June 15th, 1920*, to cover the fiscal year ending May 31, 1920, unless the organization is previously mustered out of State service, in which case the reports will be made up and transmitted to The Adjutant-General as of date of muster-out. The Report of Armory Rent will be made on Form No. 6A, A. G. O., and the Report of Annual Allowance on Form No. 5A, A. G. O., and disbursements as credits on said reports to be made on Form No. 40A, A. G. O. The specific instructions contained upon the blank forms of report must be strictly complied with. The Annual Allowance Report will be filed by all Commanding Officers who have received Annual Allowance moneys, and the Armory Rent Report will only be filed by such accounting officers as may have received Armory Rent Allowance.

## ANNUAL ALLOWANCE TO VARIOUS HEADQUARTERS.

Section 22, Act of Assembly approved June 22, 1917, provides:

"The necessary military expenses of brigade headquarters, if any, regimental and separate battalion headquarters, including clerk hire and other actual outlays, shall be paid by The Adjutant-General, in the usual manner, upon such vouchers as he may prescribe: not exceeding seven hundred and fifty dollars (\$750) annually for brigade headquarters, five hundred dollars (\$500) for each regimental headquarters, and two hundred dollars (\$200) annually for a separate battalion headquarters."

The law fixes the maximum amount that can be expended during the fiscal year, but in the case of the First Infantry an allowance of three hundred dollars (\$300) per year has been made to the Philadelphia detachment of the Regimental Headquarters.

If less than the maximum amount shall be expended by Brigade or Regimental Headquarters, reimbursement will be made only for the actual amount expended.

The Commanding Officer of each Headquarters will render the account and file with such account duly receipted bills as sub-vouchers, executed on Form No. 40A, A. G. O.

#### ANNUAL ALLOWANCE TO TROOPS OF CAVALRY, COMPANIES OF INFANTRY, AND REGIMENTAL BANDS.

Section 19, Act of Assembly approved June 22, 1917, provides:

"Organizations of the Pennsylvania Reserve Militia shall receive an annual allowance, which shall be used and expended solely for military purposes, and for the use and benefit of the organization, as follows: Each troop of cavalry, one thousand dollars (\$1,000); each regimental band, three hundred dollars (\$300); each company of infantry, five hundred dollars (\$500); to be paid by The Adjutant-General, in the usual manner, to the commanding officer of the respective organizations. The Adjutant-General, before paying any of said allowances in money, shall procure by purchase or otherwise, and issue, for each enlisted man not provided therewith, such articles of uniform and equipment as are required for field service; and shall procure and issue such mess tents, kitchen tents, and military stores as may be necessary for said units, and charge the cost thereof to said annual allowance; the balance, if any, to be paid over to the commanding officer, and disbursed subject to the provisions hereof. No part of any allowance made hereunder shall be expended in procuring any special or dress uniform, or in repairing or caring for the same. The commanding officer of each organization shall, whenever directed by the Governor, make a return to The Adjutant-General, with an itemized account and statement, of all disbursements of moneys paid to said organization, not previously accounted for, in such form and accompanied by such vouchers as The Adjutant-General shall prescribe."

An Annual Allowance of not more than eight dollars (\$8.00) per enlisted man will be made from the Annual Allowance appropriation for the maintenance of the Pennsylvania Reserve Militia for Sanitary Detachments of the respective Regiments of Infantry and Squadron of Cavalry. The number of enlisted men for each Sanitary Detachment attached to a Regiment of Infantry is fifteen, and to the Squadron of Cavalry seven.

The Commanding Officer of each Infantry Regiment and Squadron of Cavalry will supervise and direct all expenditures made on account of the Sanitary Detachment and Regimental Band, and the

Report of Annual Allowance, Form No. 5A, A. G. O., will be executed by the Regimental or Squadron Commander, and itemized receipted bills filed as vouchers, executed on Form No. 40A, A. G. O.; the Chief Musician of the Regimental Band will, however, execute and file the Annual Allowance Report on Form No. 5A, A. G. O., filing therewith the usual vouchers.

## RIFLE PRACTICE COMMUTATION.

General Orders No. 24, A. G. O., s. 1919, provided as follows:

A commutation of \$100.00 for maintenance of ranges and expenses incident to rifle practice will be made to each company of infantry, troop of cavalry and machine gun detachment that practices 80% of its officers and men, and where a less number have practiced, the commutation will be reduced in proportion. In cavalry organizations, the men must have practiced with both rifle and revolver, and in machine gun detachments with both machine gun and revolver, in order to be counted.

Where commutation for rifle practice has been paid to any organization, accounting for such allowance will be made on report year ending May 31, 1920.

II. The fiscal year for organizations of the Pennsylvania Reserve Militia, and to which Annual Allowance applies, ends on May 31st of each calendar year, and reports accounting for such allowance must be in The Adjutant-General's Office not later than June 15th of each year.

Commanding Officers of Companies of Infantry, Troops of Cavalry, including Machine Gun Companies and Troop, Motor Transport Company, and Chief Musicians of Regimental Bands, will forward reports through Regimental or Squadron Headquarters, and thence direct to The Adjutant-General. This also refers to Platoon Commanders.

Commanding Officers at Regimental and Squadron Headquarters, through which reports will be forwarded, will carefully examine same, see that all vouchers submitted are properly and fully accomplished, and will familiarize themselves with the financial condition of the respective organizations, and the character of expenditures for which sub-vouchers are filed.

III. Accounting Officers will observe the following:

- a. Disbursements for which credit is taken must be supported by *original itemized vouchers duly receipted as required by Form No. 40A, A. G. O.*

Duplicate vouchers will be filed with the retained copy of the report.

- b. Articles or stores purchased from State moneys, and not expendable in character, will be charged to State property account of the organization in The Adjutant-General's Office, and accounting officer so advised.
- c. Expenditures made from Annual Allowance account for subsistence in camp, except in case of subsistence provided for advance details, detailed to erect camp, will not be approved.
- d. Expenditures from Annual Allowance account for Armory Rent, in cases where the rent paid exceeds the Armory Rent Allowance from the State, will only be approved when permission has been specifically given by The Adjutant-General's Office, and when so given the fact must be noted on the voucher, giving date of permission, *and must in each instance show period for which Armory Rent is paid.*
- e. No Armory Rent Allowance or Rifle Practice Commutation is paid to Regimental Bands or Regimental Sanitary Detachments.
- f. In cases where accounting officers have received any balances of State funds from their predecessors in office, either direct or through The Adjutant-General, or from The Adjutant-General in settlement by sureties on bonds of delinquent accounting officers, the same will be taken up on the debit side of Financial Report, stating clearly amount, and when and from what source received.
- g. Armory Rent Allowance can only be used in payment of Armory Rent, and for no other purpose. Leases for armories may include in the rent of armory, heat and light, and where so included may be paid from Armory Rent Allowance. *Vouchers filed covering payment of Armory Rent must show period for which payment is made.*
- h. In cases where a commanding officer has paid assessments for expenses in camp, or on account of expenses of regimental rifle team, or for use of regimental band, or otherwise, a statement showing in detail all receipts and expenditures must be furnished to each officer paying such assessment, by the officer to whom the assessment is paid and who disburses same. The statement so furnished will be filed with the vouchers as supplemental thereto. Vouchers for assessments unaccompanied by statement will be disapproved.
- i. *In cases where an accounting officer files a voucher covering payment to himself for sundry expenditures, sub-vouchers supporting such expenditures must be filed with the voucher.*
- k. All vouchers must be fully itemized, and made as self-explanatory as possible.
- l. Commanding Officers and Chief Musicians of regimental bands are prohibited from keeping any State funds in a *personal account, or from depositing personal or other funds that are not State funds in an account in which State funds are deposited.* Except where State funds are deposited with a regimental treasurer, properly bonded, accounting officers must open an account in their official designation and with a reliable trust company or bank, and no checks are to be drawn against such an account *except for proper military purposes.*

IV. Reports received will be audited promptly by The Adjutant-General, and if found to be correct and are approved, and the balance remaining on hand appears to be inadequate, a warrant will then be drawn upon the State Treasurer to the order of the proper accounting officer for the first half of the Annual Allowance for the fiscal year beginning June 1st, 1919.

V. Blank forms on which reports are to be made will be sent direct from The Adjutant-General's Office to Accounting Officers the current week, together with sufficient vouchers, Form No. 40A, A. G. O., for use during the fiscal year beginning June 1st, 1920.
